Scholarship Application

As associates of the B.C.G.S.A. (Kootenay Chapter) we realize the importance of education. Through our own experiences we have learnt that determination, combined with a quality education will allow you the opportunity to attain your goal of becoming a respected member of the work force.

Our association has identified a financial need in regards to education and is committed to helping our members, their employees, and our member's immediate families. The costs associated with obtaining a degree or diploma in today's educational institutions have become substantial. Due to these rising financial responsibility the B.C.G.S.A. Kootenay Chapter have tabled and passed a motion to set up an educational scholarship. This scholarship is available to any eligible recipient allowing them the capability to pursue their careers and ultimate goals.

(to be determined once all applications are reviewed) The fund will be awarded to the person, or persons, that shows a financial need, dedication, and the drive required to become successful in their chosen field.
