

Assistant Golf Course Superintendent

Established in 1929, Beach Grove Golf Club is a Championship Private Club located within the expanding seaside community of Tsawwassen, BC, south of Vancouver. We enjoy the most days of sunshine within the greater Vancouver area while providing our Membership and Guests an exceptional 12-month playing season and quality golf experience. Our Club is operationally sound with a substantial and growing waiting list of new Members.

This position is an excellent opportunity for growth and development for a passionate, collaborative leader to continue in supporting a culture of safety, opportunity, and work value to our Course Maintenance Team. Collaborating with the Superintendent, the Assistant will be emersed in honing their skills in all aspects of the golf course operations.

Preferred Attributes, Qualifications, and Competencies include:

- Organized, passionate, results oriented leader with strong core values, and motivated towards career advancement and personal growth.
- Ability to align priorities and objectives within a changing and evolving environment.
- Effective communication, sound judgment, and interpersonal skills to foster and maintain relations with fellow Employees, Club Members, Vendors, Community Neighbors, and other Industry Professionals.
- Intelligent decision maker demonstrating innovation, initiatives, and the ability to implement practical solutions to sometimes complex or evolving situations or challenges.
- Passionate in providing exceptional value and high standards with a keen eye for detail.
- Degree, Diploma, or Certificate from a recognized university or college turf management program or a combination of relative education, experience, and skill set.
- Comprehensive knowledge and experience in agronomy and integrated pest management principles.
- Strong business acumen and administrative skills; proficient with MS office software and Jonas.
- Experience or knowledge of golf course construction techniques, project planning and implementation.
- Practical knowledge of irrigation requirements, scheduling and programming through central control and application and monitoring technology.
- Knowledge of Rainbird central control and software platform is an asset; however, the RB software is very intuitive and easy to operate and program.
- BC pesticide applicators certificate or ability to obtain such within a reasonable timeframe from commencing employment.
- Valid driver's license.

We offer a very attractive and competitive salary and compensation package commensurate to the successful applicant's experience and education. This is a year-round position with full benefits including medical, dental, matching pension contributions, professional development allowance, cell phone plan, meal plan, and golfing privileges. You will be working within a modern and comfortable Staff Facility personal office space and administrative amenities.

Qualified applicants are encouraged to submit their resume, in confidence, to:

Ian Murray,
Golf Course Superintendent & Project Manager
