- Plan, schedule and manage a crew of 20 plus maintenance staff in the operation of all aspects of golf course maintenance.
- Provide leadership, coaching, training, and necessary disciplinary actions for all staff
- Monitor attendance and payroll for the turf department
- Work closely with other managers to ensure the timely completion of golf course projects and operations to a high standard.
- Schedule, plan and monitor all aspects of fertility and Integrated Pest Management program.
- Maintain all office records, including purchase orders, pesticide records and licensing, training records, and other records as required
- Manage all aspects of Rain Bird irrigation system to ensure efficient operation
- Supervise Horticultural operations, including fertilizing and planting of trees, shrubs, flowers and other landscape features
- Ensure staff are meeting all Occupational Health and safety standards and creating a work environment that promotes health and safety
- Assist other departments within the organization, including tennis and clubhouse repairs and maintenance as required
- Transport equipment and golf carts towing a 40 ft 5th wheel trailer between WCGG sites
- Perform other related work as required

### **EDUCATION**

- Degree or diploma in Turfgrass Management or Agronomy from a recognized post-secondary institution
- Minimum 5 years of supervisory experience in Turfgrass Management
- Experience in Budgeting, Project planning and golf course construction
- Current Pest Management certification

### **KNOWLEDGE, SKILLS and ABILITIES**

- Knowledge and understanding of golf course maintenance procedures and excellent customer service skills
- Strong understanding of the game of golf and all rules and etiquette

- Computer skills including Outlook, Excel, Word, Google Docs, 7 shifts employee software
- Ability to work under pressure in dynamic situations with a high level of professionalism
- Experience in budgeting and financial management
- Reliable with a strong work ethic and adaptability, with strong communication skills
- Valid class 5 driver's licence (preferably with Heavy Trailer Endorsement or the ability to obtain one)

We offer a competitive salary and compensation based on applicants' experience and education. This is a full-time 12-month position including medical, dental, professional development dues, daily meals, golf privileges and discount on merchandise.

The application deadline is Dec 9, 2022, projected starting date of Jan 1, 2023.
