

Penticton Golf

& Country Club

About the Club: The Penticton Golf & Country Club established in 1922 recently celebrated its centennial year. Over the years the club grew and changed locations several times, continuing to improve with each move. In 1961 the Penticton Golf & Country Club opened the first 18 hole golf course in the British Columbia Interior. Our most recent renovation consisted of a new Rainbird IC irrigation system install as well as being one of the first in Canada to use their new software, Cirrus Pro.

Position Overview: The Penticton Golf & Country Club is currently seeking the services of an experienced, passionate and energetic Assistant Superintendent to help lead our Turf Care Maintenance Team and become an important member of our Golf Course Management Team. This salaried position is seasonal (10-11 months per year) and will begin February 2023. The successful candidate will assist the Superintendent in day to day tasks.

Qualifications: Possess a degree or diploma from a recognized post-secondary university or college in a turfgrass related field. A minimum of 3 seasons in a supervisory position with, or be able to obtain, a BC Landscape Pesticide Applicator Certificate.

Responsibilities:

- Assist in organizing and direction of daily activities of the maintenance staff
- Assist in the supervision and follow up of on course projects
- Daily communication with the Superintendent to discuss all maintenance requirements
- Conduct routine irrigation audits and make necessary adjustments
- A strong understanding of moisture management
- Mentor and help develop staff in all areas. This includes equipment operation and safety
- Help to create a positive team environment, inspire, motivate and lead by example

COMPENSATION: Competitive with industry standards, commensurate with experience

ADDITIONAL BENEFITS: Golf privileges, association dues for WCTA, BCGSA and CGSA with conference participation.

CONTACT: Submit cover letter and resume in confidence addressed to:
