

# JOB POSTING

# GOLF COURSE MECHANIC

The Tower Ranch Golf Club is recognized as one of the Okanagan's premier courses. The 230-acre semi-private club is a strategic course, offering bentgrass greens, tees, and fairways. The course is situated on the native grass bench lands overlooking the Okanagan valley and is located only minutes from downtown Kelowna and the International airport. We have a large shop, with a spectacular view, and an extensive fleet of primarily Toro equipment along with Kubota tractors and loader.

Working under the direction of the Superintendent and along side the Assistant Superintendent and a dedicated turf crew, the mechanic will be responsible for coordinating and performing all preventative maintenance and repair of the turf equipment and light maintenance of the 80-unit EZ GO golf cart fleet.

#### Responsibilities:

- Diagnose and repair mechanical problems of all course equipment including diesel and gas mowers, utility vehicles, implements, golf carts, as well as all small engine equipment.
- Daily inspection, adjustment and sharpening of cutting reels and rotary mowers.
- Performing scheduled servicing of all equipment.
- Keeping detailed maintenance and repair records.
- Ordering and maintaining a suitable parts and supplies inventory.
- Maintain the shop and yard in an orderly and clean condition.
- Assist with the training of employees in the safe operation of equipment as needed.
- Willing to aid with any on course projects or repairs as needed.

#### Qualifications:

- Diploma or certificate in mechanics or experience as a Turf Equipment Mechanic.
- Experience trouble shooting and repairing mechanical, electrical, and hydraulic issues.
- Experience with grinding and setup of both reel and rotary mowers an asset.
- Welding and fabrication skills an asset.

#### Compensation:

- This is a year-round position.
- Annual Salary will be based on experience and includes benefits package and performance bonus.
- Golf shop, restaurant discounts, and golf privileges included.

The posting will stay open until a qualified applicant has been found. The right candidate can start immediately and/or no later than January 3, 2023.

Qualified applicants are invited to email their resume, cover letter with expected salary, and references to:

Superintendent,
