

The BCGSA and BCPGA INTERIOR CHAPTERS 1ST ANNUAL PRO/SUPER CHALLENGE

February 21st, 2011

To whom it may concern:

The Interior chapter of the BCGSA and BCPGA is organizing the 1st annual Interior Pro/Super Challenge. This tournament is scheduled to be held at Two Eagles Golf Course and Academy in Westbank on Tuesday, May 31st, 2011. The tournament will then move around the interior each year hereafter. Our committee is looking for sponsors to make this tournament a success!

We are currently looking for the following. Hole Sponsors, Hole in One Sponsors, and Fantastic Door Prizes. This Tournament is for golf industry professionals only. The **two** man teams will be made up of CPGA professionals or asst's, and BCGSA Superintendents or asst's. Our hope is that your focus will be on prizes directed at the **Golf Facilities** being represented, such as product, equipment, services, etc... This would be a great way to promote a new or existing product or technology. Individual Prizes are welcome, but the focus should be on the **Facilities themselves!**

Sponsors will be welcome to come and set up displays at the clubhouse or on individual holes. If you would rather play golf, we will set up some groups of sponsors, then welcome you to stick around for some food (\$25.00) and the prize presentation!
