

INTERIOR PRO/SUPER CHALLENGE

The Interior chapter of the BCGSA and the BCPGA would like to welcome you to the first annual Pro/Super Challenge. The inaugural event will be held at Two Eagles Golf Course and Academy in Westbank on Tuesday, May 31st, 2011. The idea for this tournament is to have Golf facilities send a maximum of two teams, consisting of a CPGA Head Professional or Assistant Professional partnered up with the Superintendent or an Asst. Superintendent. The format will be a Two man **NET** best ball. Pros playing off a 0 hcp, and the amateur playing off an official RCGA index!

The focus on our main prizes from our sponsors is going to be directed towards the actual Golf Course facilities themselves. They will be in the form of product, equipment, a service, etc... They will be distributed through door prizes, so any team can win the big prizes no matter how your team scores on the golf course. It's looking like its going to be a fantastic Prize table!

For the teams that do play well, there will be individual prizes for 1st thru TBA, a blind Calcutta, some amazing Hole in One prizes, a plaque for you to take to your facility to brag about for the year, and you will have first option of hosting the next year's event. We would like to extend a welcome to any teams from the North or the Kootenays to participate, with the understanding that the tournament will stay in the Interior to keep it as central as possible.

Any teams looking to stay over for the night, there will be a special room rate at The Best Western across the street from the Clubhouse for \$110.50. This includes a King room (two beds) and a continental breakfast. Phone # is 250-707-1637

We look forward to seeing you at the Tournament of which we hope will be the start of a fantastic yearly event.

Sincerely yours,
Tournament Committee,

Warren Blue
Jeff Bennett
Chris Hinton
Dean Claggett
